

# Daloy Social Media App

## Introduction to Daloy

Daloy is a vibrant social media platform designed specifically for Filipinos, drawing its name from the Tagalog word for "Flow." The app embodies this meaning by facilitating the seamless movement of ideas, culture, and stories across the archipelago and beyond. By fostering a digital space where connection is fluid and constant, Daloy empowers users to engage in a continuous exchange that celebrates the Filipino spirit and keeps our community moving forward together.
